PRESERVING THE PAST FOR THE FUTURE

A wonderful opportunity to honor or memorialize someone special in your life. All brick paver gifts will help the Army Aviation Museum Foundation, Inc. raise funds to support the United States Army Aviation Museum. Please help us with our mission of **Preserving the Past for the Future** and promoting the Aviation and Military history of **"Above the Best"** here at Fort Rucker, Alabama.

Each brick paver will accommodate *up to three lines** with 20 characters per line.* **(Unless a LOGO is requested \$75.00 set up for any new ones).**

Installation is located outside the front entry of the U.S. Army Aviation Museum building, a prime location for all our many visitors to see your tribute.

These 4" X 8" paver bricks are of the highest quality and laser engraved to last a lifetime.

Please be aware that pavers are obtained from the engraver in large quantities and due to the time it takes to order, receive and install engraved pavers, there will be some period of time, after you complete your purchase, before the paver can be placed on the grounds at The Army Aviation Museum. After you complete your order you will receive notification recognition of your order. After the paver is received you will receive notification from the Foundation letting you know the paver has arrived and is on schedule for immediate installation.
